Sir, C.M. 88-54-1

Subject - Recovery of lorry hire charges from contractors.

Reference - G.O.No. PW 8891-97 R B. 9-51 dated 28-1-52 and L. 6427-30/15-52-36 dated 5-8-52. / fly 2 (page 12 of the Work Study)

In the above orders of Government it was directed that the hire charges of the lorries placed at the disposal of the contractors in the City Improvement Trust Board of Mysore and Bangalore be recovered at the rate of Rs. 30/- per day For the past several years, the rate levied and recovered from the Contractors was only Rs. 15/- per day in this Municipality.

The Government Auditor observed in his memo No 332/M C M. dated 25-8-53, that when a higher rate of Rs. 30/- is being levied in Government P W D. and also in the Trust Board, charging a low rate of Rs. 15/- per day only by the Municipality in the absence of any orders to the contrary does not stand to reason. He suggested that taking into account the pay of the lorry driver and cleaner, at Rs 4/- a total sum of Rs 34/- be recovered per day from the contractors for the lorries lent to them.

The several contractors of the Municipality, from whom the recovery of the enhanced rate of lorry hire charges was insited from the date of Government order viz., 5-8-52 and recovered represented that they were originally paying a rate of 8 as per mile on mileage basis in previous years which was raised to 0-14-0 per mile and this was modified, for want of

of meters to the vehicles, to a flat rate of levy of Rs.15/- per day in recent years, which was itself heavy. They expressed that the recovery from 5-8-52 hits them hard and prayed for a lenient view of the case being taken, on the grounds that they would have made some other arrangement if only they had been apprised of an increased levy.

The question was examined by the works committee at their meeting held on 17-4-54. They were of opinion that to recover the rate fixed in the G.O. dated 5-8-52 from that date with retrospective effect was really hard. They therefore recommend that half the difference of the rate between Rs. 34/- suggested by the auditor and the rate of Rs. 15/- be recovered from the contractors for the period from 5-8-52 to 25-8-53 the date of Audit observation and the amount recovered in excess for this period be (the other half) refunded to the contractors.

The Council duly approved of the above recommendation at their meeting held on 4-5-54.

I enclose a copy of the resolution of the works committee and the Council and request you kindly to obtain orders of Government approving the proposal. It may be added that from 25-8-53 on wards the rate of Rs. 34/- is being recovered from the contractors to whom lorries are given.

Yours faithfully,

(N.Lakshman Rau)
Municipal Commissioner.

Forwarded with compliments,

(V.Puttaswamy).
President.

Government Order No.L.6427-30/I.T.B.15-52-36 dated the 5th August 1952 directing that hire-charges of the lorries placed at the disposal of the contractors in the City Improvement Trust Boards of Bangalore and Mysore, be recovered at the following rates -

a) Rs.30/- per lorry per working day exclusive of petrol, oil and other charges for petrol driven lorries.

2. Letter No.C2.P.R.50/54-55 dated the 25th May 1954 from the Municipal Commissioner, Mysore City, regarding the recovery of hire charges of the lorries placed at the disposal of the contractors of the Municipality.

ORDER No.L. 4995-6/CM 88-52-2

DATED, BANGALORE, THE 30th JULY 1954.

The Municipal Commissioner, Mysore City, reports as follows -

For the past several years, the rate of hire-charges of the lorries placed at the disposal of contractors was only Rs.15/- per day. The Government Auditor objected to the recovery of hire charges in the Municipality at Rs.15/- per day only, when a higher rate of Rs.30/- is being recovered from the contractors in the Public Works Department and the Trust Board. The Auditor therefore suggested that taking into account the pay of the lorry driver and cleaner at Rs.4/- a total sum of Rs.34/- be recovered per day from the contractors for the lorries lent to the contractors of the Municipality, from whom the recovery of the enhanced rate of lorry hire charges was insisted upon from the date of the Government Order read above, viz., 5th August 1952, represented among other things that the recovery from 5th August 1952 hits them hard and prayed for a lenient view being taken.

It adds that after examining the question, the Mysore City Municipal Council have at their meeting held on 4th May 1954 approved of the recommendation of the Works Committee to the effect that half the difference of the rate between Rs.34/- suggested by the Auditor and the rate of Rs.15/- be recovered from the contractors for the period from 5th August 1952 to 25th August 1953, the date of Audit observations and the amount recovered in excess for this period (the other half) be refunded to the contractors. He requests sanction to the

resolution passed by the Municipal Council and states that from 25th August 1953 onwards the rate of Rs.24/- is being recovered from the contractors to whom lorries are given.

The Government Order dated 5th August 1952 fixes the rate of hire charges of lorries belonging to the City Improvement Trust Boards of Mysore and Bangalore. It does not fix the rates for lorries owned by the Mysore City Municipal Council. In view of this, Government consider that it would not be fair to make this rate applicable to the contractors of the City Municipal Council, Mysore, with retrospective effect. They are therefore pleased to approve of the resolution passed by the Municipal Council.
